

KAWASAKI MULE 3010 / 4010

MULE 3010 / 4010 HARD TOP CABS:

The new model 3010 & 4010 Hard Top Cabs feature a smart looking, molded polyethylene plastic roof, removable PVC side fenders & a hinging windscreen for access to bonnet.

This is a very popular cab, available with optional windscreen wiper and washer, Roller Doors, clear PVC back and Gas struts to support the windscreen when lifted for bonnet access or to shoot from etc.

Cab also available with no sides (economy) or a roof only kit for overhead sun and rain protection only.

Code# KM 519
Mule 4010 Hard Top Delux (code#111b for Mule 3010)

Windscreen lifts up & can be supported by optional gas struts if desired.

PVC dome on side fenders can easily be taken off or re attached.
